

## PARTNER-PORTAL

### Working together as partners

With our König + Neurath Partner-Portal, we have created a platform where specialist retailers, architects, planners and other business partners can find the most important data and tools to help us work together smoothly – such as ordering and delivery services, useful templates and the ability to order advertising materials.

Are you already a business partner of König + Neurath and interested in taking advantage of this service? Simply register here.

REGISTER >  
NOW

Have you already registered? Then you can login here as a König + Neurath business partner and enjoy direct access to the data you need.

If you cannot remember your personal password, you can reset it using the “Forgotten your password?” function.

SIGN IN
